To Whom It May Concern:

There are many nonprofits helping our district, *but All Students Matter stands apart.* All Students Matter is unique among local nonprofits: 200 trained volunteers in every K-4th grade classroom, each week, all year long, with seamless handling of their organization. We couldn't ask for volunteers who are easier to work with or any more supportive.

All Students Matter is a key partner for Ravenswood City Schools:

- Supplying every K-4 teacher with three hours or more of volunteer time every week
- Impacting 1600 students' academic performance and emotional well-being
- Providing special support for unique projects requested by the Superintendent and Principals

Since 2008, we have invited All Students Matter volunteers into our K-4 classrooms and consider them an integral part of our student support network. The care and individual tutoring provided weekly by All Students Matter volunteers makes a tremendous difference in the lives and academic success of our young students. These volunteers are Ravenswood Heroes!

Sincerely,

Dr. Gloria Hernandez-Goff
